

# Studio Certification HTML5 Badges

Get certified on HTML5!

Demonstrate your advanced skills with a certification for all things HTML5

## What is it?

The HTML5 Badge qualification demonstrates your knowledge and skills to build high quality HTML5 ads within DoubleClick Studio. You can also demonstrate your skills to determine the quality assurance of HTML5 ads with the HTML5 QA Badge. Get the best out of HTML5 by obtaining both!

You can get started right away. We have e-learning resources to help you get up to speed on HTML5 ads for Studio - or if you feel you know this already, you can take our [exam](#).

## Benefits

- Recognition as a Studio certified user able to create and/or QA ads in HTML5.
- Exclusive invitation to DoubleClick-hosted HTML5 events and workshops [HTML5 Badge only].
- Exclusive early access to HTML5 beta product features, innovations, and solutions [HTML5 Badge only].
- Promotion as a Studio certified user with HTML5 and/or HTML5 QA qualification via DoubleClick Rich Media properties and associated sites.
  - You will appear on a list of Studio certified users on the Rich Media gallery site.
  - We will announce your achievement via our Twitter account.
  - Promotion via Rich Media Gallery and marketing materials
  - You receive a badge you can use for self-promotion.
